**Cmaj9**                                      **D**     **C**  
I've found love that will never end  
**Cmaj9**                                      **D**  
My Saviour and my friend  
**Cmaj9**                                      **D**     **C**  
You are light in the darkest night  
**Cmaj9**                                      **D**  
You are strong in my weakness

**C**     **Em**   **D**                      **C** **Em**                      **D**  
*All You are is good, and all You do is good*

**G**    **Bm**                      **C**  
The joy of the Lord is my strength and my song  
**G**    **Em** **D**  
I will trust in You Jesus

Faithful God of ages

**Cmaj9**    **D**                      **C**  
I've found peace in the fiercest storm  
**Cmaj9**    **D**  
The winds obey Your call  
**Cmaj9**    **D**                      **C**  
When I lift my hands in praise  
**Cmaj9**    **D**  
You change my perspective

**C**    **Em**  
*No life or death, height or depth*  
**G**    **D**  
*Could separate me from You*  
**C**    **Em**  
*Through all this I am convinced*  
**G**    **D**  
*My joy is found in You*
